Total Views on Video Series

This channel has only one popular video series.

Avg. Views on Video Series

Some video series have more Avg. Views than the popular one.

Video Series on Timeline

Video Series vs Proportion

The left graph shows that the main series is the blue one, accounting for over 66%.

In the top graph, new video series was started in the second quarter of 2020 and continued updating for a while, such as orange, purple, and pink. They all had good effects. However, the green series that started at the end of 2023 has not been very effective.

Avg. views / Video Count with Car Brand

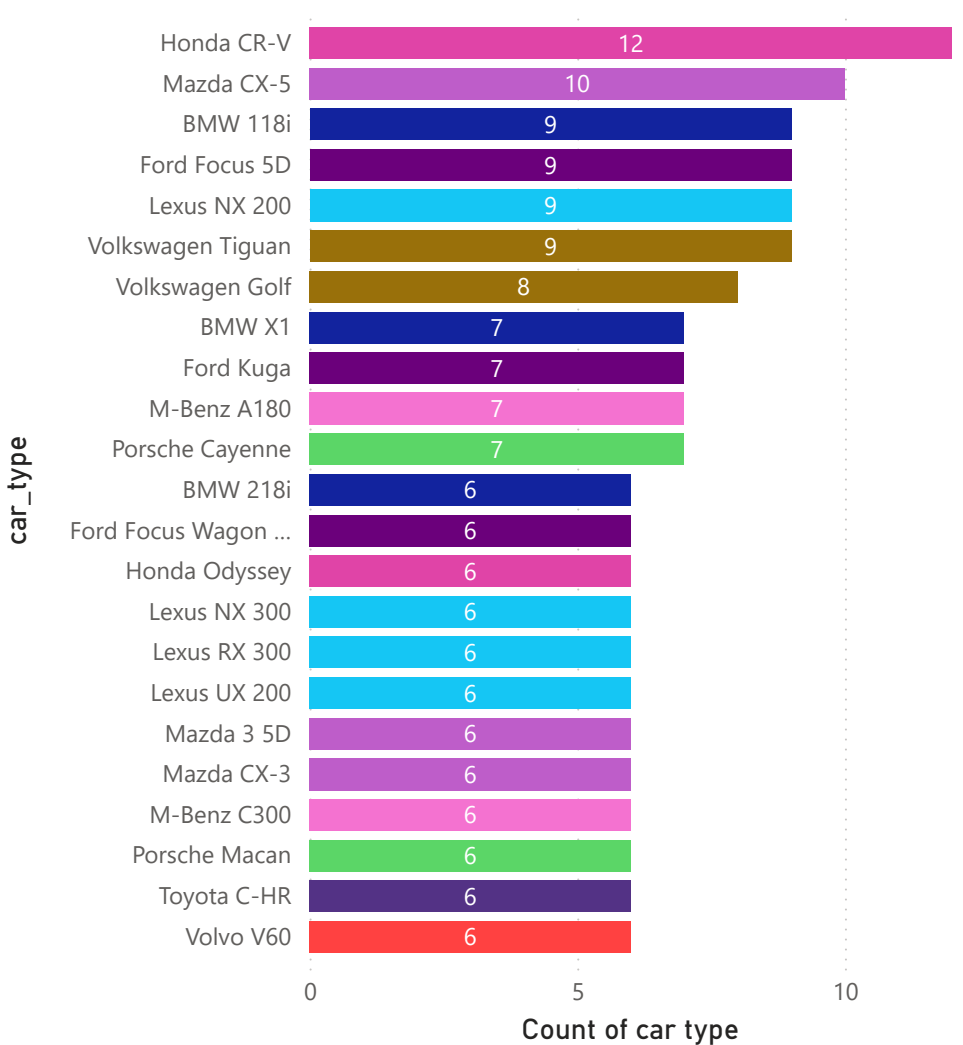

views 的平均 count of car brand

BMW have the most video count, however the highest Avg. view group are Jaguar and Maserati.

Count of car type

car_brand Audi BMW Daihatsu Ford Honda Hyundai Infiniti

Honda CR-V is the most popular car in this channel.

Total Views vs Video Upload Frequency

views 的總和 ● 影片量

The frequency of uploads is somewhat correlated with total views. However, the surge in views due to the increase of video uploads in late 2019, has disappeared by the second quarter of 2020. After 2023, the decline in views has become increasingly severe.
